referred to there is no mention of
this case.

10) 16/4 The scale of 6 years for the Private Secy is
all right.

The scale of 4 years to the Manager Secy would
all right, if he is to be considered as the
head of a dept or if the term 'Dept'
in para 3(b) is taken to refer not merely
to the head of a Dt but also to Offrs of
the DCS grade.

The scale of 4 years for the Asst Secy is
all right only on the latter assumption.

As regards pay, it was not objected to
earlier by me, under the impression that
the new grades of pay were to be gradually
given effect to on the occurrence of
vacancies & not so as to prejudice
existing incumbents. If my assumption
